WHO WE ARE

REIMAGINING AND REDEFINING COMMERCIAL VEHICLES.

MS-RT are a design-led automotive engineering company creating bespoke Ford vehicles with uniquely sporty features. Designed for van drivers who want to stand out from the crowd, their creations are born from 30 years of motor racing experience on and off the track with their partners M-Sport.

The MS-RT vehicles deliver radical sports styling inspired by the M-Sport Ford World Rally Team's Fiesta WRC car, while retaining the popular vehicle's practicality, durability and the full Ford warranty.

MS-RT have been converting Ford vehicles since 2015, selling over 3,000 vehicles in 5 years, with its main target market being small business owners, looking for a premium commercial vehicle to promote their business, and lifestyle users.

MS-RT's state of the art custom conversion includes a full front bumper and grill replacement with integrated fog lamps, front diffuser, wide arch extensions, side skirts, rear diffuser and rear spoiler. The British made twin sports exhaust system and MS-RT exterior branding accentuate the design of the vehicle.

You are required to create an account to dress your MS-RT order, purchase optional extra parts for the vehicle, set shipping addresses, view and track your orders in your account and more

DRESS ORDERS

This is only required on Ford Transit Custom MS-RT and the Ford Transit Connect MS-RT. If you have ordered Ford Ranger MS-RT, you do not need to dress the order.

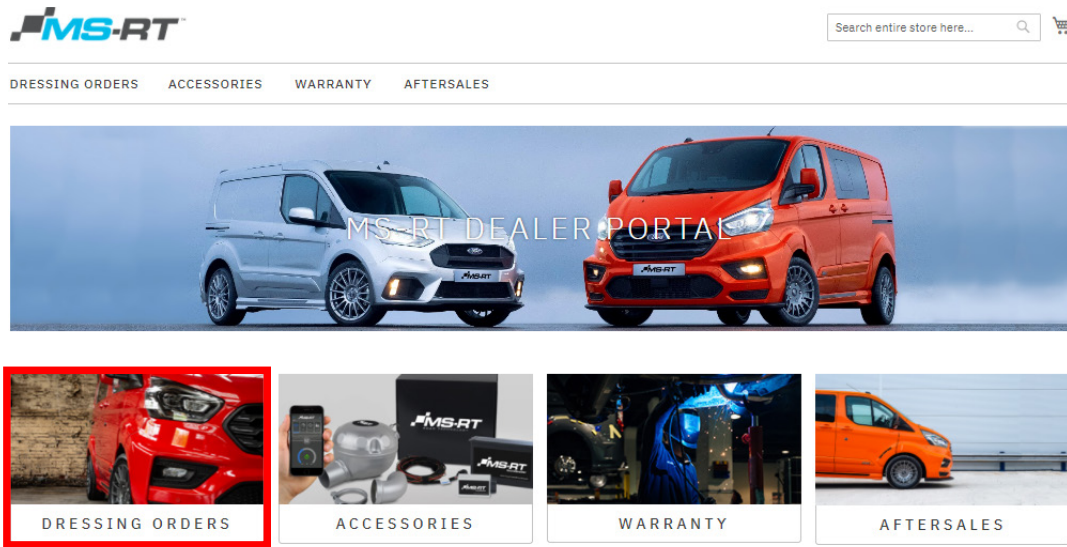

Once an MS-RT vehicle has been ordered through Ford, dealers have the ability to use our Dealer Portal (www.portal.ms-rt.com) to spec the vehicle and add any optional extras the customer has chosen. Items such as Decal Packs, Black Exhaust Tips, Tow Bar, upgrade wheels* (*available only on Ford Transit Connect MS-RT). All pricing listed on the Dealer Portal are dealer cost prices. The Recommended Retail Price is shown later in this document.

The deadline to dress an order is 10 business days prior to your MS-RT production start date.

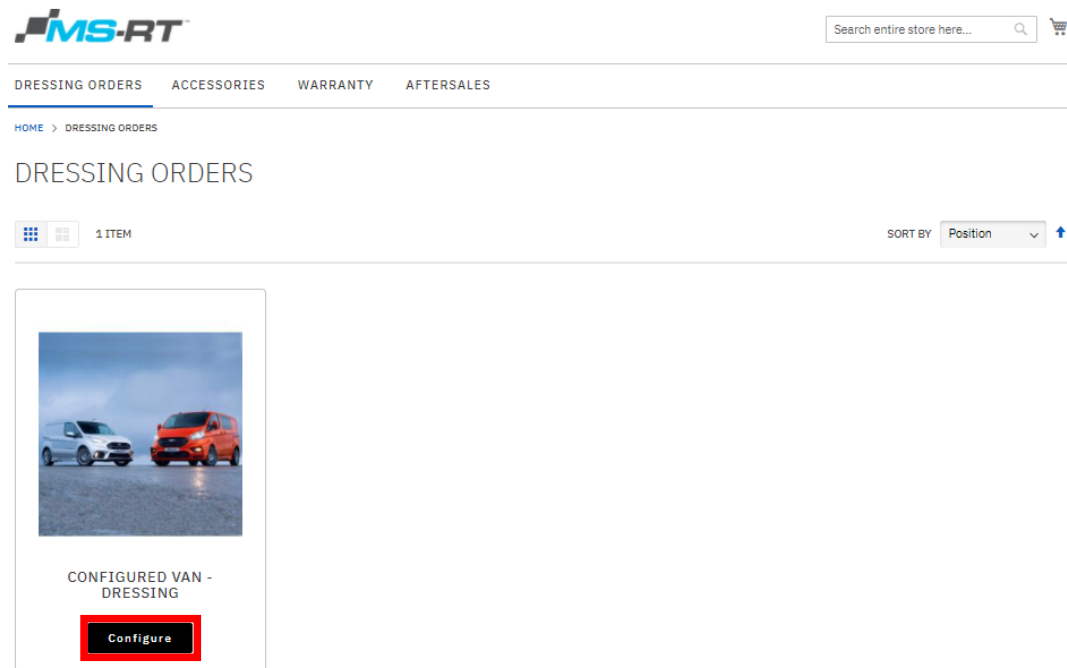

When completed, your vehicle will enter our planning production system and an order confirmation will be sent out via email.

We have set out the simple steps in the next pages.

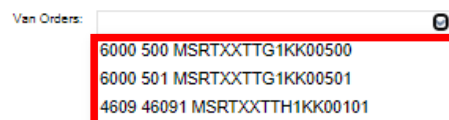

- If you ordered a Ford Ranger MS-RT or do not require any optional extras, such as Black Exhaust Tips, Detachable Tow Bar or Decal Pack, no further action is required. It will arrive with a standard MS-RT spec.
- To start dressing your vehicles, click **Dressing Orders**

- Click **Configure**

- Select the **vehicle's VIN** - All VINs shown will be for your Dealer Code only.

WARRANTY

One of the main advantages of owning an MS-RT is that we are a Ford Qualified Vehicle Modifier, meaning we meet Ford's standards in manufacturing, engineering and quality control. We are also regularly assessed by Ford to ensure all standards are met.

MS-RT will match the base vehicle's warranty in terms of years and mileage. We will also cover the cost of parts and repair of any MS-RT related issues.

In the unlikely event that a vehicle presents a fault with our product, the warranty process has been streamlined and is now very simple. We have set out the steps in the next pages.

We aim to turn around a claim decision within 2 business days from the initial application. Any costings submitted to be approved will be authorised within 1 business day from receipt.
